TEKLRN

C# LEVEL 15

1. Standard Query Operators Overview

2. Query Expression Syntax

3. Extending the Standard Query Operators

4. Related Sections

5. Query Expression Syntax for Standard Query Operators

6. Query Expression Syntax Table

7. Classification of Standard Query Operators by Manner of Execution

8. Manners of Execution
   - Immediate
     Deferred
   - Streaming
   - Non-Streaming

9. Classification Table

10. Sorting Data

11. Methods

12. Query Expression Syntax Examples
    - Primary Sort Examples
    - Primary Ascending Sort
    - Primary Descending Sort
    - Secondary Sort Examples
    - Secondary Ascending Sort
    - Secondary Descending Sort
